

Presentation

Al Parco Rehabilitation Center is a healthcare facility accredited by the Lazio Region's National Health Service (SSN) (DCA Reg. Lazio no. U00420/2013). The Center is located within the ASL RM3 (formerly RM D) territory, 4th District, at Via Augusto Armellini, 127/D, and has been operating in the Private Healthcare – Rehabilitation sector since 1997. The Center is accredited to provide rehabilitation treatments under Law 883/78 (ex Art. 26) in both **semi-residential** and **non-residential** settings, specializing in the care of individuals with mental disabilities. Furthermore, as per Authorization Det. No. G06494 of May 29, 2024, the facility is authorized to provide outpatient rehabilitation treatments for children and adults with complex disabilities.

The managing organization is **Al Parco Società Cooperativa Sociale**, based in Rome. The Social Cooperative has held ISO 9001 Quality Certification since May 2010. The Legal Representative is **Anna Morelli**.

Services

- **Semi-residential** (Day Center)
- **Non-residential** (Home-based care)
- **Outpatient** (Clinic-based care)

Staff Organization

1. The **Medical Director** of the Rehabilitation Center is **Dr. Antonella Lo Giudice, Psychiatrist**.
2. Each Service is directed by a physician serving as **Medical Supervisor**.
3. Each Service includes a **Coordinator**.

The Rehabilitation Center's multidisciplinary team consists of the following professionals: **Doctor; Psychiatrist; Physician; Psychologist; Psychotherapist; Social Worker; Professional Educator; Rehabilitation Therapist; Social and Health Care Worker (OSS); Speech-Language Pathologist; Physiotherapist; Neuro and Psychomotor Developmental Therapist (TNPEE).**

*As required by current regulations, a **nurse** is also present for the Semi-residential Service.*

Semi-residential Service (Day Center)

Patient Profile: Physical and mental disabilities.

- The Service is accredited for **30 patients**.
- **Center Hours:** 8:00 AM – 2:00 PM, Monday to Saturday (meal included).

Rehabilitation activities are scheduled based on Individualized Rehabilitation Plans (PRI):

In-house Workshops:

- I. Music Workshop
- II. Color Manipulation/Art Therapy
- III. Restoration Workshop
- IV. Cognitive Stimulation
- V. Gentle Gymnastics (Low-impact exercise)

External Activities: Educational, recreational, and sports-related rehabilitation activities held at affiliated external facilities.

All rehabilitation activities are performed by specialized staff and are aimed at improving patients' basic skills, socialization, and independence.

Non-residential Service (Home-based care)

Patient Profile: Mental disabilities (adults and minors).

- The Service is accredited for 20 patients.
- Non-residential treatments are generally carried out outside the Center, at the patient's home or within local community facilities (schools, sports centers, libraries, etc.). Intervention schedules are coordinated with each individual patient, based on their availability and the Service's organizational needs.
- Direct intervention is conducted by one or more assigned Professional Educators and is specifically focused on enhancing autonomy.

Outpatient Service

Patient Profile: Complex disabilities requiring evaluation for a rehabilitation pathway. Adults and Minors (Developmental Age).

Rehabilitation Treatments:

- Speech-Language Therapy
- Neuro-psychomotricity
- Psychotherapy
- Physiotherapy
- **AAC** (Augmentative and Alternative Communication)
- Educational Interventions

Assessments and Diagnoses

Our center provides initial diagnostic visits (**Child Neuropsychiatry, Psychiatry, Physiatry**) as well as cognitive, **learning disability (SLD)**, and speech therapy evaluations.

To access these services, you may book an initial consultation with our staff specialists or provide an evaluation performed by other specialists within the past year.
